
Program Requirements

Rabies Vaccination

Please submit an **updated** and adequate rabies titre **no later than one month prior to your scheduled practical week**. We require a valid titre that has been processed within two years of the practical week dates. However, if the value is low, we require a titre within six months of the practical week dates.

If you require more information about the practical week schedule, please contact us.

Laptop Requirements

Please note that Chromebooks and other Tablets are not sufficient devices to be able to perform all required tasks as a Northern College student. For full laptop requirements, please visit [Student Services Technology](#).

Program Equipment List

For the practical week you will require scrubs, closed-toe, closed-heeled shoes, and some other items that will be listed for you prior to the practical week. Please contact us for more information.

Contact information

For general questions, contact Northern College's Admissions Office at 1.866.736.5877 or 705.235.7222. You can also email Admissions at admissions@northern.on.ca.
